

# Product Specification

Sunflower Seed Protein Powder Raw Organic

BL151-X V1.0 02-07-2018

---

## Accreditations

BIO/Organic as bulk and private label.

## Allergens

Allergen free

## Colour and appearance

Beige crumbly powder

## Country of origin

EU origin

## HS-code

21069092

## Flavour and Odour

Characteristic, aromatic taste and odour of sunflower seeds without foreign taste and odour.

## Ingredients

100 % Organic Raw European Sunflower Seed Protein Powder

## Product Description

For this fine Organic Raw European Sunflower Seed Protein Powder we de-oil and grind raw organic European sunflower seeds. It still contains about 7 % fat and around 53 % vegetable protein and about 23 % dietary fiber. Ideal as an ingredient for protein shakes, bread and buns or bread crumbs! Suitable for raw consumption (immediate consumption after preparation) or as baking ingredient.

## Storage

Store at a dry and cool place away from heat of direct sunlight. Store at a temperature between 10-15 degrees Celsius.

## Shelf Life

12 months from manufacture date in un-opened packaging.
